

Academic Report - BBI

Workshops/Seminars

- ❖ The department along with B.M.S, B.Com (A&F) organized a seminar-cum-workshops with J.P. Morgan for the Semester VI students. It was basically a recruitment drive where one student from our stream was selected amongst the others. At present, we have approached ICICI Prudentials and Eddelwise Capitals & Financial Services for placement of our students in Semester V for Advisory and Back-Office jobs and the process is underway.

Placement Cell

- ❖ Sutherland Global Services selected 6 students and J.P. Morgan Chase selected 1 student from the Third year batch. In total 7 students were given placement during the current semester.

Industrial Relations

- ❖ The department organized Industrial Visits to Chandigarh-Shimla for the students of B.Com (B & I) jointly with the students of B.Com (A&F) in November 2008 i.e. from 27/11/2008 to 02/12/2008. The experience helped the students to be independent and also work together as a peer group. However, we could not visit any industry due to increased security set up in the wake of terrorist attacks in Mumbai during that period.

Fiesta - e- Josh' 09

- ❖ The students actively participated in organizing the **Festa-E-Josh 2009**, the intercollegiate event organized by the NAC department of our college.

Events & Functions

- ❖ Students from our stream took active part in the college events and intercollegiate events and festivals as detailed below:
