- Seminar on C.E.T/ C.A.T Preparation for T.Y.B.M.S students (Resource person from career launcher has delivered the lecture & made the students understand the difference between CET & CAT paper pattern)
- Attended workshops conducted by Mumbai university for I & II semester syllabus (Mr. Samadhan Khamkar has attended the seminar conducted by Mumbai University in Mithibai College & Valia College in which the lecture has been delivered on new syllabus for I & II semester and the pattern of internal examination)

Placement Cell

- JP Morgan has placed eight students of T.Y.B.M.S
- Accutech power solutions has placed five students of T.Y.B.M.S
- ICICI has placed nine students of T.Y.B.M.S

Innovative Teaching Methods

- Given statistics lecture by taking our students in a organization named Mahanand Milk Co-operative (MRSDMM)
- Debates & Group discussions of current topics had been taken for the entire B.M.S section
- Visited Amul Dairy (Boisar) to see the Co-opertive processing by Mr. Samadhan K. Khamkar, Ms. Divya Prabhu & Ms. Tasneem Patel.
- Field research activities has been given to the students of S.Y.B.M.S & T.Y.B.M.S

Achievements

- Co-ordinator Samadhan K. Khamkar has been appointed as a member of university syllabuss review committee & even he has been selected as a paper setter for VI semester (B.M.S.)

- Successfully conducted industrial visit at Himachal Pradesh, where our students have seen the production process of textile industry (Vardhaman) & even the recycling of plastic waste into a finished product.

- Successfully conducted the NAC department festival Fiesta-e-josh. (In this event we try to develop managerial and decision making skills among the students of NAC department. Our vice principal Mrs. Mala Kharkar has set the example of team work by taking us together and making this event a success story).
