ABOUT PATKAR COLLEGE

Chikitsak Samuha's Patkar-Varde College of Arts, Science and Commerce is one of the reputable institutions of higher education in Western suburbs of Mumbai. The College was established in 1964. In the past five decades, the College emerged as the multi-disciplinary institution by providing not only traditional study programs in the areas of Arts, Commerce & Science but also career oriented study programs by identifying the need of the industry & employability like Computer Application, Mass Communication etc. The College has been Reaccredited with 'A+ Grade' by NAAC (3rd Cycle), with an institutional score of 3.53, and also obtained ISO 9001-2015, The College has been Adjudged Best College in 2016-17 by University of Mumbai and received India's Education Excellence Award 2018 from Berkshire Media LLC, USA. The College has been now Approved for DBT STAR COLLEGE SCHEME and has been granted the Autonomous College Status w.e.f. 2019-20.

The College had adopted a learner-centric and holistic approach aimed at personal, professional and social development of our students. The Vision, Mission and Goals of the Institution aims at providing affordable quality education to a cross section of society, catering to the diverse needs.

Our College offers a wide range of undergraduate, postgraduate and Ph.D. programmes in addition to the usual course, the College also offers the study in programs the emerging areas like Biotechnology, Bio Informatics, Microbiology, Aviation, Computer Science, Information Technology, Data Science, Actuarial Science, Business Analytics, Management Studies, Banking Insurance, Accounting & Finance, Mass Media, Advertising Communication Design, Hospitality Studies, Business Management, Sports Management.

The College is also providing the excellent support to the students by arranging guidance lectures and seminars and workshops on communication skills, personality development etc. to apprise them of global opportunities and also with Interviews by top MNCs are conducted along with Aptitude Tests. Our students have consistently performed well and achieved recognitions in University and Board examinations.

Our College has taken initiative to develop collaborative research with different Universities, Institutions and organizations. Most of the Science Departments have linkages with prestigious institutes like BARC, TIFR, IIT-Powai, Haffkin Institute, Glenmark, CIBA Research Center, EXCEL, HPCA Lab, among others.

Various cultural activities are organized to create global awareness among the students. Our College has been consistently winning prestigious awards in inter-collegiate competitions. Inter-collegiate events like Spandan, Research in IT, Ignite, Biozest, Biofest, Scimatics, Horizon in Finance, Junoon and Mediatainment are organized and participation of our students in them helps them sharpen their soft skills in organization and management.

To facilitate the fostering of global competencies, the Management strives to provide the latest state-of-art infrastructure facilities on the College campus.

We finally believe in what the American poet Robert Frost said;

*The woods are lovely dark and deep, But I have promises to keep
And miles to go before I sleep, And miles to go before I sleep.*

PG Diploma In ERP At Patkar College

The College has introduced Post Graduate Diploma in Enterprise Resource Planning with industry Collaborations. It is a golden opportunity for Graduates to Explore the World of SAP. The Course covers the basics of ERP, the Implementation of ERP with SAP, Training on various ERP Modules. It will provide students the conceptual background & knowledge on ERP and also train them on the various modules of ERP as the specialization and prepare students to grab the various opportunities offered by the Industry

The students who complete the program successfully will be awarded with the Certificate of University of Mumbai. The successful completion of the study course make student eligible to appear for Test conducted by SAP separately and acquire Internationally Recognized Certificate by SAP Germany .

SAP Student Academy

The SAP Student Academy program enables educational institutions to offer specialized SAP software training. The program offers access to self-paced learning courses that are mapped to SAP certification tracks in many SAP solution areas. SAP has introduced an online training program as part of its strategy to close the SAP skills gap in the information and communication technology market and foster co-development with university students. Now available and specifically tailored to the needs of university students, the SAP Student Academy program offers a strong value proposition to universities to make their students more employable through early in-study completion of SAP certifications. The program covers core SAP certification tracks in the major market categories of business applications, database and technology, analytics and mobile.
